2005 Regional Conference

2005 CCSC-NORTHWESTERN REGIONAL CONFERENCE

CALL FOR PARTICIPATION

**Seventh Annual**

**Consortium for Computing  
Sciences in Colleges  
Northwestern Conference**

Hosted by  
**University of Washington, Bothell**  
Bothell, Washington

**October 14 & 15, 2005**

The Northwestern Regional Conference of the Consortium for Computing Sciences in Colleges is designed to promote quality computer-oriented curricula as well as effective use of computing in smaller institutions of higher learning which are typically non-research in orientation.

Because personnel at small colleges often have restricted travel budgets, the scheduling of the conference is done with consideration toward minimizing costs.

**Panels and Tutorials**

(Due date: March 25, 2005)

Tutorial and panel discussion submissions should include a 2-page proposal, list of participants, and address, phone number, and e-mail address of contact author.

Detailed instructions for submitting panels and tutorials are available at the conference Web site at [www.ccsc.org/northwest/2005/](http://www.ccsc.org/northwest/2005/)

Proposals for panels and tutorials should be submitted via email to the Panels and Tutorials Chair:

**Adair Dingle**

Seattle University  
[dingle@seattleu.edu](mailto:dingle@seattleu.edu)

In cooperation with  
ACM SIGCSE

**Call For Papers**

(Due Date: March 11, 2005)

Authors are asked to submit papers for presentation at the conference. Papers will be refereed and those accepted will appear in the Journal of Computing Sciences in Colleges. Papers should be a maximum of six pages single-spaced and the abstract should be limited to 300 words.

Detailed instructions for submitting papers are available at the conference Web site at [www.ccsc.org/northwest/2005/](http://www.ccsc.org/northwest/2005/)

Papers should be submitted via email to the Papers Chair:
