Consortium for Computing
Sciences in Colleges
Northwestern Region

2006 Regional Conference

2006 CCSC-NORTHWESTERN REGIONAL CONFERENCE

CALL FOR PARTICIPATION

Eight Annual

**Consortium for Computing
Sciences in Colleges
Northwestern Conference**

Hosted by
**Eastern Washington University
Cheney, Washington**

October 6 & 7, 2006

The CCSC-NW Conference is designed to promote quality computer-oriented curricula as well as effective use of computing in smaller institutions of higher learning which are typically non-research in orientation.

Because personnel at small colleges often have restricted travel budgets, the scheduling of the conference is done with consideration toward minimizing costs.

Panels and Tutorials

(Due date: March 24, 2006)

Tutorial and panel discussion submissions should include a two-page proposal, list of participants, and address, phone number, and email address of contact author.

Detailed instructions for submitting panels & tutorials will be available by January 2005.

Inquiries may be directed to the Panels & Tutorials Chair:

Donald Chinn
University of Washington, Tacoma
dchinn@u.washington.edu

In cooperation with
ACM SIGCSE

Conference Web Site
www.ccsc.org/northwest/2006/

Call For Papers

(Due Date: March 10, 2006)

Authors: please submit papers for presentation at the conference. Papers are peer reviewed and those accepted will appear in the Journal of Computing Sciences in Colleges.

Papers must be original and not submitted elsewhere for simultaneous review. They should be quality work, typically referencing related work, and extend the body of knowledge in the computing sciences.

Papers are to be a maximum of six pages single-spaced and the abstract is limited to 300 words. Detailed instructions for submitting papers will be available by January 2006.

Inquiries may be directed to the Papers Chair:

Elaine Weltz
Seattle Pacific University
eweltz@spu.edu

Student Poster Session

(Abstract due date: September 26, 2006)

Undergraduate students are invited to submit an abstract describing their research or project. A faculty sponsor is required.

Students will present their work in a poster session and prizes will be awarded. Send a one-page abstract via email to the Student Posters Chair:

Paul Bladek
Edmonds Community College
pbladek@edcc.edu
