Preliminary Call for Student Posters

We invite undergraduate students to participate in a poster/project session and competition during the annual conference. Undergraduates, including those who completed their Bachelor's degrees in spring 2006, are requested to submit an abstract describing their research or significant project. [Deadline for submission is September 29, 2006.]

Topics may include any computer-related research or significant project activity, either theoretical or applied. A faculty advisor must sponsor each proposal.
