

NATIONAL PARTNERS

The Consortium for Computing Sciences in Colleges invites your company/organization to *join with us* as a **National Partner**.

As a NATIONAL PARTNER you are guaranteed:

- A display booth in a high attendee traffic area at any or all of our ten regional conferences for one year. This display can be manned by your representative or display can be mailed to the conference and unmanned.
- Free registration at **ALL** regional conferences. (This does not include meals.)
- Listing as a **NATIONAL PARTNER** in each regional conference program.
- Right to **distribute flyers** in conference registration packets.
- Listing as a **NATIONAL PARTNER** on all official CCSC websites (national and regional).
- Right to cite your **CCSC NATIONAL PARTNER** status in your newsletters and/or web site.
- **Company logo** and **link** to your web site on the CCSC web site:

2010-2011 Regional Conferences

Fall 2010

Midwest Region, September 24-25, at *Franklin College, Franklin, IN*

Northwestern Region, October 8-9, at *George Fox University, Newberg, OR*

Rocky Mountain Region, October 15-16, at *Front Range Community College, Fort Collins, CO*

Eastern Region, October 15-16, at *Juniata College, Huntingdon, PA*

Southeastern Region, November 12-13, at *Spelman College, Atlanta, GA*

Spring 2011

Mid-South Region, April 1-2, at *University of Central Arkansas, Conway, AR*

Southwestern Region, April 1-2, at *Loyola Marymount University, Los Angeles, CA*

Central Plains Region, April 8-9, at *University of Central Missouri, Warrensburg, MO*

Northeastern Region, April 15-16, at *Western New England College, Springfield, MA*

South Central Region, April 15-16, at *Sam Houston State University, Huntsville, TX*

Become a **CCSC NATIONAL PARTNER** today by sending a check for \$2000 to the address at the bottom of this column. Send us the name, phone number and email address of your contact person. The CCSC National Partner program chair will contact this one person about all conferences. You will not have to deal with each conference individually.

The **CCSC** is attempting to facilitate the interaction between vendors and our membership. Feel free to send email to the address below and let us know how we might improve this relationship. What might we do to assist you in helping our membership?

Email

- Contact name
- Contact telephone number
- Suggestions for modifications to partnership program

Mail: (Federal Tax ID Number 35-1651794)

- Check for \$2000 payable to CCSC and mailed to:

CCSC

Statement Of Purpose

Consortium for Computing Sciences in Colleges is a non-profit organization focused on promoting quality computer-oriented curricula as well as effective use of computing in smaller institutions of higher learning which are typically non-research in orientation. It supports activities which assist faculty in making appropriate judgments concerning computing resources and educational applications of computer technology.

Because departments in smaller colleges and universities are usually small and not highly specialized, the Consortium also encourages the sharing of expertise, effective curricula and efficient technological applications.

The Consortium is concerned with the advancement of major programs in both Computer Science and Computer Information Systems, and with the use of computers in the Liberal Arts and Sciences.
