About CCSC

The Consortium for Computing Sciences in Colleges is a nonprofit organization focused on promoting quality computer-oriented curricula as well as effective use of computing in smaller institutions of higher learning, which are typically non-research in orientation.

Submissions

- Paper, panel, tutorial, and workshop contributions on the structure, delivery, support, and societal context of Computing Education. This year we also welcome submissions addressing Information Technology and Cybersecurity Education as well.
- Formatting: <https://lubaochuan.github.io/ccsc-editor/authors.html>
- Submissions are double-blind refereed.
- Accepted papers will be published in the Journal for Computing Sciences in Colleges and the ACM Digital Library.
- Rejected papers will be offered to participate as a poster submission.
