

CALL FOR PAPERS
CONSORTIUM FOR COMPUTING SCIENCES IN COLLEGES
2013 SOUTHWESTERN REGIONAL CONFERENCE

APRIL 5 – 6, 2013

California State University San Marcos

In Cooperation with the ACM Special Interest Group on Computer Science Education (SIGCSE)

<http://www.ccsc.org/southwestern/2013/>

CCSC SW brings together faculty, staff and students from academic institutions throughout the Southwestern United States for the exchange of ideas and information concerning all levels of computing education.

Scholarly Papers

We invite original, unpublished experience reports, research, case studies, philosophical papers and tool papers that address topics related to computing education. Following a double-blind peer review, accepted papers will be presented at the conference and will be published in *The Journal of Computing Sciences in Colleges*. All papers must be no longer than 6 single-spaced pages in length (including illustrations). Contact the author chair, Peter Gabrovsky at peterg@csun.edu, with questions regarding appropriate paper topics and formats. For questions about the submission process, or to volunteer as a paper referee, contact the paper chair, Megan Thomas at mthomas@cs.csustan.edu.

Panels & Tutorials

We invite proposals for panels and tutorials on topics that are consistent with the themes of the conference. Abstracts of accepted panels and tutorials will be published in *The Journal of Computing Sciences in Colleges*. For additional information, please contact Tzu-Yi Chen at tzuyi@cs.pomona.edu.

Student Posters

Students are encouraged to submit abstracts on topics related to computing sciences for the poster session which will be held at the conference. Authors and presenters must be current undergraduate or graduate students. For additional information, contact Stephanie August at Stephanie.August@lmu.edu.
