

CCSC: CP Board Meeting Minutes

Friday, March 30, 2012
Ozarks Technical College
Springfield, MO

Present:

See below

Meeting led by Scott Sigman.

Minutes by Scott Bell.

The regional board was convened and brought to order by Scott Sigman.

An honorarium for speakers was discussed and approved by board members.

Board member openings for this year were discussed. Treasurer and Editor are up for election. Nominees for were discussed: Judy Mullins agreed to be nominated for treasurer and Baochuan Lu will be nominated for editor. Scott will open the floor for additional nominations during the general business meeting prior to the elections.

Due to continued issues with authors cancelling after their paper has been accepted, it has been suggested by members that we look into ways encourage authors to participate in the conference. This was discussed further with multiple options discussed.

Scott Sigman mentioned that he has been nominated for national president-elect and if he is elected, his term as regional representative will end in August. At that point, he believes that Laura Baker would appoint a replacement for the rest of his term.
