

2019 CCSC Student Poster Competition

Call for Participation

We are inviting all current college and university students to submit an abstract describing original research relevant to any computing topic. Authors of accepted abstracts will develop a poster presentation and present it live for judges and other conference attendees.

Last year we had a great turnout and this year we hope to do even better! To see how you or your students can get in on the fun, visit the following URL:

<https://www.ccsc.org/centralplains/poster-contest/>

Important Dates:

Submission Deadline: Monday, March 11th, 2019

Competition Date: Saturday, April 6th, 2019

Submission Procedure:

A one-page abstract (between 100 and 400 words) must be submitted via email to the Student Poster Contest Chair, Dr. Joseph Kendall-Morwick (jkendallmorwick@missouriwestern.edu), on or before 3/11/2019. Submissions should be in PDF format and can be generated from one of the templates available on the competition website (URL is above).
