

Consortium for Computing Sciences in Colleges

Central Plains Regional Conference

St. Charles Community College

April 5th - April 6th, 2019

In Cooperation

Conference Program

2019 CCSC Conference Welcome

Rex McKanry, Associate Professor
and 2019 CCSC – Central Plains
Conference Chair

2019 ushers in the 25th year of the CCSC Central Plains Region conference and I am proud that St. Charles Community College (SCC) has been selected to host. Every year that I have attended the conference I have taken back to my classroom something new and exciting to help teach and energize my students. Whether it is finding a new tool or technology or partnering with one of my peers, the conference has something for everyone.

This year's conference at SCC we will have some exciting events on the schedule, tours of some of our business partners' facilities, specialty tracks for vendors, students and K-12 teachers to focus in on what interests you most. We will also have a Meet and Greet at the OPO Startup in downtown St. Charles, a technology hub for startup companies in the St. Charles area.

All professional papers, panels, tutorials, and nifty assignments go through a double-blind review process. This year we were able to accept 53%. We would like to extend our appreciation to the authors who submitted their work for our consideration and to the highly talented group of reviewers that exerted a tremendous amount of time and effort to review all the submissions. Our conference would not be as remarkable without our National Partners, Sponsors, and Vendors for their continued support of our organizations. Thank you all!

Finally, this conference would be nowhere near as successful without the dedication and support from the volunteers and committee members that help support the CCSC efforts throughout the year to bring you this wonderful event. Without their tireless work and dedication, I would not have been able to plan and build a conference this great. This includes the support from past conference chairs. Thank you all for letting me be a pest throughout the year of planning.

I hope you have a wonderful time at the CCSC-2019 conference, gain some enlightenment and take back something new to enrich your classroom and research.

Best Regards,
Rex McKanry
St. Charles Community College

Friday Opening Keynote Speaker Bio:

Randy Schilling, Founder
BoardPaq and OPO Startups

President and Chief Executive Officer of BoardPaq, an affordable, easy-to-use, secure Board of Directors iPad and web (PC/Mac) application for planning, running and managing paperless Board meetings.

Randy is the former Chief Executive Officer and Founder of Quilogy, a Microsoft nationally managed system integrator. Schilling founded Quilogy in 1992 under the name Solutech, Inc. Under Schilling's leadership, the company grew to over 500 employees and 16 offices.

Randy is a long-time resident of St. Charles, Missouri. He is active in a wide range of business and civic organizations, including: CASS Information Systems, Chairperson of Education Committee of St. Charles County Partners for Progress, Advisory Council Member, Arch Grants, and founder of OPO Statups.

Dinner Keynote Speaker Bio:

Sherea Dunlap, Executive Director
at Create a Loop

Sherea Dunlap began teaching in Baltimore City after earning a Master's Degree from University of Maryland, College Park. On moving to St. Louis, Sherea began a six-year career teaching upper elementary and middle school at St. Louis independent schools: Community School and City Academy.

At Create a Loop, Sherea's focus is on bringing AP Computer Science and Washington University of St. Louis college-level course material to Create a LOOP's elementary, middle and high school curriculum.

Saturday Opening Keynote Speaker Bio:

Jo Otey, Healthcare Success
Manager / Innovator /
Entrepreneur / Tech Junkie / Food
Sommelier / Roller Coaster
Fanatic

A technology guy who puts people before machines, specializing in solving problems of digital transformation within healthcare, nutrition, startups, and non-profits. Working at Microsoft, I have access to numerous resources and professional experts to solve complex problems. I believe when you have a growth mindset anything is possible.

Friday, April 5th, 2019

8:30 to 5:00	Conference Registration			
9 a.m. - Noon	Pre-Conference Workshop 1: Mobile Web App Development for All! David Hayes, University of Illinois - Chicago Location: TECH 214 Moderator: Kim Mercurio		Pre-Conference Workshop 2: Location: Danforth Center 975 North Warson Road St. Louis, Missouri 63132 Tour Starts at 9:00 AM (30 MAX)	
1:00 - 2:00 p.m.	Keynote: "STEM and Future Workforce" Randy Schilling, Founder BoardPaq and OPO Startups Location: SSB Auditorium			
2:00 – 5:00 p.m.	Vendor Fair Location: SSB: First Floor Student Lounge		Technology Job Fair Location: CC: Gymnasium	
	Location: SSB 1201	Location: SSB 1202	Location: SSB 1203	Location: SSB 1204
2:15 - 3:15 p.m.	Papers Moderator: Rick Barker Embedding Security Concepts in Introductory Programming Courses <i>Ajay Bandi, Aziz Fellah, & Harish Bondalapati/Northwest Missouri State University</i> When the Play is "The Thing" and Not the Software: Student Experiences Engineering Software for a Theatre Production <i>Brian Kokensparger/Creighton University</i> Initial Evaluation of Accessibility and Design Awareness with 3-D Immersive Environments <i>Nicholas Rosasco, Alex Kaariainen, Jeffrey Will/Valparaiso University</i>	Tutorial/Panel/Workshop Moderator: Jennifer McKanry SASS Syntactically Awesome Style Sheets <i>Jane O'Donnell/St. Charles Community College</i>	Nifty Assignments Moderator: Bill Siever Building a Memory Reading Circuit <i>Bin Peng/Park University</i> Streaming TV Service <i>Kendall Bingham/University of Missouri - KC</i> Easy Handwriting Recognition <i>Eric D. Manley, Timothy Urness/Drake University</i>	Vendor Presentation Moderator: Kim Mercurio Encouraging Student Confidence Through Engagement: The Power of Interactive Learning in STEM <i>Stephanie Swanson/zyBooks</i>
3:15 – 3:30 p.m.	Common Track – Break (SSB Auditorium)			
3:30 – 4:30 p.m.	Papers Moderator: Mahmoud Yousef Teaching AP-CSP in a College Setting Using an AP-CSP Endorsed Curriculum: An Experience Report <i>Tim DeClue/Southwest Baptist University</i> Revising an Accredited Computer Science Program at a Public Regional University to Meet New ABET Guidelines <i>Xiaodong Yue, Belinda Copus, Hyungbae Park, Mahmoud Yousef & Songlin Tian/University of Central Missouri</i>	Tutorial/Panel/Workshop Moderator: Tian, Guanyu Challenges of Mentoring Graduate Directed Projects: Profession-Based Learning Through Collaboration <i>Ajay Bandi, Denise Case, Nathan Eloe, & Aziz Fellah /Northwest Missouri State University</i>	Vendor Presentation Moderator: Nancy Graviett Introduction to Serverless Computing, with an Emphasis on Cloud functions <i>Laurie White/Google</i> *NOTE: This is a Bring Your Own Device presentation.	Lightning Talks Moderator: Kendall Bingham
4:30 – 5:30 p.m.	Tutorial/Panel/Workshop Moderator: Karen Kannenberg How Learning Works: Applying Cognitive Psychology Theory to Computer Science Course Structure <i>Jennifer McKanry, Gretchen Haskell, and Dasha Kochuk/University of Missouri-St. Louis</i>	Tutorial/Panel/Workshop Moderator: Mahmoud Yousef Introduction to Cloud-Based Machine Learning <i>Saty Raghavachary, Jeffrey Miller/University of Southern California</i>	Vendor Presentation Moderator: Belinda Copus NSF - Funding Your Research <i>Michael Erlinger/ Harvey Mudd College</i>	Vendor Presentation Moderator: TBD
6:00 - 7:00 p.m.	Meet and Greet – OPO Startups - 119 S Main St, St Charles, MO 63301			
7:15 – 9:30 p.m.	Banquet – Quintessential Dining, 149 N Main St, St Charles, MO 63301, (636) 443-2211 Keynote: "Debugging Diversity: Creating Opportunities through Computer Science Education" Sherea Dunlap, Executive Director at Create a Loop			

Saturday, April 6th, 2019

Spouse's Track				
Adventure in Historic Main St., St. Charles, MO (https://www.discoverstcharles.com/)				
9:00 – Noon (6 MAX)				
9:30 – 12:45 a.m.	Vendor Fair Location: SSB: First Floor Student Lounge		Technology Job Fair Location: CC: Gymnasium	
8:30-9:30 a.m.	Keynote: Building Your Professional Brand Jo Otey – Microsoft, LinkedIn, Online Professionalism Location: SSB Auditorium			
9:30-10:00 a.m.	Poster Set-up Location: SSB 1102			
	Location: SSB 1201	Location: SSB 1202	Location: SSB 1203	Location: SSB 1102
10:00-11:00 a.m.	Papers Moderator: Rick Barker Introducing Fundamental Computer Science Concepts Through Games Design <i>Fei Cao, Dabin Ding, & Michelle Zhu/University of Central Missouri</i> Capstone as Consulting <i>Denise Case, Charles Hoot/Northwest Missouri State University</i>	Tutorial/Panel/Workshop Moderator: Michael Fuszner CyberReady StL Curriculum: Tutorial, Best Practices, and Results From Initial Deployment <i>Rebecca Dohrman, Paul Gross, Steve Coxon, Dustin Nadler, Chris Sellers, Christi DeMuri, & Robyn Ray/Maryville University</i>	Nifty Assignments Moderator: Belinda Copus An IoT Assignment Sequence <i>Bill Siever/Washington University in St. Louis</i> Applying Asymmetric Encryption Algorithm Using Kryptos <i>Imad Al Saeed/Saint Xavier University</i> Geospatial Data Handling <i>Saty Raghavachary / University of Southern California</i>	Student Poster Judging Moderator: Joseph Kendall-Morwick
11:00-11:45 a.m.	Break - Poster Viewing and Refreshments Location: SSB Auditorium \ SSB 1102			
11:45-12:45 p.m.	Papers Moderator: Rick Barker Getting Ahead With a Hat: Reengineering a Computer Organization Course <i>Michael P. Rogers, Charles Hoot/Northwest Missouri State University</i> The Visible File System - An Application for Teaching File System Internals <i>Bruce Mechtly, Fritz Helbert, Dylan Cox, & Zachary Hastings/Washburn University</i>	Tutorial/Panel/Workshop Moderator: Karen Kannenberg Blended Courses in Computer Science and Information Systems Education: Adapting to Changing Educational Methods and Needs <i>Charles Badami, Denise Case, Nathan Eloie, Aziz Fellah, Doug Hawley, Charles Hoot & Diana Linville /Northwest Missouri State University</i>	Student Papers Moderator: Scott Sigman Using Hyper-Heuristics to Solve the Job Shop Scheduling Problem Benjamin Valpey, Adam Case (Advisor) Drake University Database Costs and Savings Plan Zachary Theiss and Kendall Bingham (Advisor) University of Missouri-Kansas City	Student Poster Viewing Moderator: Joseph Kendall-Morwick
Common Track				
12:45-1:00 p.m.	Student Poster/Paper Award Ceremony Location: SSB Auditorium			
1:00-2:00 p.m.	CCSC Business Meeting and Luncheon Location: SSB Auditorium		Programming Contest Meeting and Lunch Location: SSB 1102	
2:00-3:00 p.m.	CSTA Meeting Location: SSB 1204			
2:00-6:00 p.m.	Student Programming Contest Tech: 112, 114, 201, 203, 206, 214, 216
