

CCSC:MW 2019 ~ Twenty-sixth Annual Midwestern Conference Benedictine University ~ October 4-5, 2019

Call for submissions of papers,
tutorials, panels, workshops,
and student participation

The CCSC Midwestern Conference convenes every year to share knowledge through Papers, Panels, Tutorials, and Workshops. This year's conference will be held in north east Illinois at Benedictine University in Lisle, IL.

We are interested in all aspects of computing in two-year and four-year colleges. If you teach in a computing-related discipline and it's of interest to you, it's of interest to the CCSC:MW community! We welcome original research, experience reports, case studies, and position papers on computing-related topics. Student participation is strongly encouraged.

Important 2019 Dates

Papers

Submission Deadline Mar. 18

Panels, Tutorials, & Workshops

Submission Deadline Mar. 18

Nifty Tools & Assignments

Early-in for listing in Journal April 26
