CCSC:MW 2020 Programming Team Registration Form

Team registrations will be received until we run out of space (about 24 teams) or September 10, 2020, whichever comes first. Please note that there is a practice session Friday evening that should be attended if at all possible. **Each team is allowed to use one computer per team. Teams may use a personal laptop with wireless access as their contest machine.** Lab machines also will be available for those who do not wish to bring a laptop to the conference. Please check one of the following:

_____   We will be using a personal laptop for the contest

_____   We wish to use a lab machine for the contest

Each student should register for the conference using the standard online registration procedure. If a student is registering only for the programming contest, the fee is $15 and includes lunch on Saturday. If a student also wishes to attend the Friday banquet or other conference events, they should register for the full conference and the fee is $40.

Each team must have a faculty advisor registered for and present at the conference.

Student Names (up to 3):

_____

_____

_____

Institution: _____

Faculty Advisor: _____

Email Contact: _____

Competition category. A novice team is one comprised of ONLY novice students. A novice student is one that has taken NO MORE THAN 3 computing courses regardless of class level. We rely on the faculty advisor to ensure students on novice teams meet this requirement.

_____   We are a **regular** team

_____   We are a **novice** team
