You are cordially invited to submit to the
Thirty-First Annual CCSC Rocky Mountain Conference.

Reasons to attend

- Network with colleagues from region colleges and universities.
- Get credit for a paper accepted by a double-blind review.
- Expand your skills through the tutorials or workshops.
- Explore National Parks and other sites in and around Utah: The Crossroads of the West.

About CCSC

The Consortium for Computing Sciences in Colleges is a nonprofit organization focused on promoting quality computer-oriented curricula as well as effective use of computing in smaller institutions of higher learning, which are typically non-research in orientation.

Submissions

- Paper, panel, tutorial, and workshop contributions on the structure, delivery, support, and societal context of Computing Education. This year we also welcome submissions addressing Information Technology and Cybersecurity Education.
- Formatting:
<http://www.ccsc.org/publications/submission-guidelines/>
- Submissions are double-blind refereed.
- Accepted papers will be published in the Journal for Computing Sciences in Colleges and the ACM Digital Library.
