SCIENCES IN COLLEGES

Forms for Treasurers

Instructions

On the following pages are the forms to be submitted by individuals either receiving funds or reimbursement. The first two pages are to be used by persons receiving cash, checks, or gift cards (see Note 2 below). The form should be completed before the person receives the funds. The next two pages are to be filled out by persons that need to receive funds, the first is to be used to reimburse individuals for payments made by them to organizations (receipts—and not invoices—must be attached) and the second is to be used to send awards or honoraria to individuals (there is a separate form to be used for all travel reimbursements.) The last page (titled “Page 2”) is to be included whenever one of these two forms is used to allow the recipient to select the form of reimbursement.

We are required to keep the answers to the questions on these forms by the IRS.

The Regional Treasurer is to sign the form and indicate the expense line(s) to which the expense is to be charged. As an alternative, the treasurer can send an e-mail to the Consortium Treasurer indicating the amount to be paid to each individual and the lines to which the expenses are to be charged.

An organization is reimbursed by submitting an invoice to the Consortium Treasurer. Payments can only be made to the organization at the address listed for an invoice. Invoices should be submitted in electronic form to [treasurer2@ccsc.org](mailto:treasurer2@ccsc.org). If needed, hard copy can be submitted to

Ed Lindoo, CCSC Treasurer  
2109 SE Talbot Place  
Stuart FL 34997-5692

If you must send a hard copy, please also inform [treasurer2@ccsc.org](mailto:treasurer2@ccsc.org) that it has been sent, and be aware payment may be significantly delayed.

Regional Treasurers can also contact the Consortium Treasurer via email at the above address to arrange for payments to be made by credit card.

Note: NO payments can be made to individuals without the use of one of these forms. The Consortium is not organized to be able to pay individuals for services rendered. All such requests must be made by organizations or other established businesses.

Note 2: The CCSC National Treasurer no longer provides gift cards. If a conference chooses to award gift cards as prizes, the recipient must fill out this form, and the person supplying the cards for the conference must submit the reimbursement request form with appropriate documentation.
